

Rockwell Collins Aerospace & Electronics, Inc. Changing to Rockwell Collins, Inc.

Effective December 30, 2011, **Rockwell Collins Aerospace & Electronics, Inc.**, will change as follows: **Rockwell Collins, Inc.** Due to the volume of authorizations requiring amendments to reflect this change, the Managing Director of DDTC is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved authorizations.

All currently approved DSP authorizations identifying **Rockwell Collins Aerospace & Electronics, Inc.**, will not require an amendment to reflect the name change to Rockwell Collins, Inc. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending authorizations received by DDTC prior to February 29, 2012, identifying **Rockwell Collins Aerospace & Electronics, Inc.**, as a party to the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by the license holder.

New license applications received after **February 29, 2012**, identifying **Rockwell Collins Aerospace & Electronics, Inc.**, as a party to the license may be returned without action for correction to the new name, Rockwell Collins, Inc.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at time of shipment.

All currently approved agreement held by a third-party will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a minor amendment per 22 CFR 124.1(d) and must be submitted as such.

Pending agreement applications identifying **Rockwell Collins Aerospace & Electronics, Inc.**, will be adjudicated without prejudice. With the filing of the executed agreement, the agreement holder must attach a copy of this web notice as explanation for the name change in the executed agreement.
